

On June 14, 2021, the Cleveland Metropolitan Bar Association (CMBA) held its annual Golf Outing at Lakewood Country Club. The outing was cancelled last year due to Covid concerns. Shareholder Edward Papp served on the 2021 CMBA Golf Outing Committee and reported there was optimism from the first planning meeting that an event could take place this year. We at Bonezzi Switzer Polito and Hupp are excited for things to get back to “normal” for everyone and so enthusiastically provided our support as a Proximity Hole (closest to the pin) Sponsor.

And while Ed didn’t win the closest to the pin award this year, he was very pleased that the ball made it past the creek that runs in front of the green.
