

On June 5, 2023, the Cleveland Metropolitan Bar Association (CMBA) held its annual Golf Outing at Shaker Heights Country Club. 120 golfers attended the event with proceeds helping the CMBA put on programs for new lawyers. Shareholder Edward Papp (pictured) has served on the CMBA Golf Outing Committee for three years believing that the event combines a sport he loves with the chance to share time with attorneys from all practice areas in an effort to help younger attorneys. We at Bonezzi Switzer Polito & Hupp enthusiastically offered our support as a Proximity Hole (closest to the pin) Sponsor.

Shareholder, James Kline (pictured), attended with Ed and the duo, along with their playing partners, were happy for their respectable finish among the 120 golfers.

If you have any questions about the highly anticipated 2024 CMBA Golf Outing, feel free to contact Ed at epapp@bsphlaw.com. The course decision process is already under(fair)way!
